

Luxury cars recovered

A TIPOFF to Primedia's Crime Line led Pretoria police and Tracker to Bronkhorstspuit where they recovered four luxury vehicles that were stolen during a recent spate of house robberies in Gauteng.

"The anonymous tip-off via SMS 32211 was detailed and police with the assistance of Tracker acted immediately," said Crime Line head, Yusuf Abramjee.

Police seized four vehicles – a silver-grey VW Golf 4; a silver Mercedes Benz C180 Compressor; a Nissan Murano and a grey BMW – in the raid at a smallholding in Cultura Park, outside Bronkhorstspuit.

"I am told the total value of the vehicles is over R1 million. No arrests have been made. Police recovered balaclavas and gloves inside the BMW's boot," said Abramjee. SMS 32211 (at R1 each) or visit www.crimeline.co.za with information. – Staff Reporter
