## B Introducing the *agreement*

### 1 Who the *agreement* is between (parties)

The parties to the *agreement* are:

- a) *Tracker*, referred to as 'we', 'us' and 'our' in this document;
- b) the customer named on the *application*, referred to as 'you' and 'your' in this document.

### 2 When the *agreement* starts

The *agreement* starts when we record the *unit* installed in the *vehicle* against your name on the *Tracker* system, or a third party on your behalf. This may take up to 72 (seventy two) hours. Until we record the *unit* on the *Tracker* system against your name, we will not be able to provide the *services* or part thereof.

If a *unit* is not yet installed in your vehicle at the time that you buy it, you must not allow the *unit* to be installed in the *vehicle* if you do not agree to the *agreement*.

### 3 When the *agreement* ends\*

Your *application* shows whether you chose a month-to-month *agreement* or a 36-month *agreement*.

#### 3.1 The month-to-month *agreement*

If you have a month-to-month *agreement*, the *agreement* continues indefinitely until either you or we end it in terms of section B4 or J1 of the *agreement*.

#### 3.2 The 36-month *agreement*

If you have a 36-month *agreement*, the *agreement* continues for 36 months unless:

- a) either you or we end it in terms of section B4 or J2 of the *agreement*; or
- b) it is extended in terms of section F5.2.

At the end of the 36 months, the *agreement* will continue on a month-to-month basis until either you or we end it by giving one calendar month's written notice.

### 4 If you change your mind (cooling-off) – direct marketing only

You have the right to change your mind if you entered into the *agreement* as a result of direct marketing but if you allow the *unit* to be installed in the *vehicle* within the cooling-off period, you give up your right to end the *agreement* in this time period as the *unit* is then attached to the *vehicle*. If the *unit* is already installed at the time when you purchase the *vehicle*, and you then enter into the *agreement* as a result of direct marketing, you have a cooling-off right.

If you did not enter into the *agreement* as a result of direct marketing, you do not have a cooling-off right.

## C The tracking *unit*\*

The *unit* is the positioning and/or communications equipment that we use to provide the *services*. If the *unit* is a *Tracker unit*, the following will apply:

### 1 Installing the *unit* at an agreed time and place you can either:

- a) take the *vehicle* to one of our fitment centres; or
- b) arrange with us for a technician to install the *unit* at an address you choose.

If you arrange with us for a technician to install the *unit* at an address you choose:

- a) there might be a call-out fee. Please ask us about the fee before you ask for a technician to come to you.
- b) once we have agreed the time and place to install the *unit*, you must make the *vehicle* available at the agreed time and place. If you do not make the *vehicle* available at the agreed time and place, you will be charged a no-show fee.
- c) the place for the installation must be safe and be out of the view of third parties. Our technician has the right to refuse to install the *unit* if they believe the place is not safe and secure.

### 2 *Warranty* for defective *units*

If the *unit* is a *Tracker unit*, the following will apply:

#### 2.1 *Warranty* period to fix or replace defective *units*

If the *unit* was installed on or before 31 December 2017, the *unit* has a *warranty* of 12 months starting from the date that we install it. If the *unit* was installed on or after 1 January 2018, the *unit* has a life-time *warranty*. (We refer to this as the *warranty* period.)

#### 2.2 When the *warranty* applies

The *warranty* covers repairs to the *unit* if it stops working properly because of defective parts, workmanship or design. We will fix or replace the *unit* at no cost to you.

#### 2.3 When the *warranty* does not apply

The *warranty* does not apply in any of the following circumstances:

- a) Anyone tampered with or changed the *unit* or the way it was installed;
- b) Someone that we did not authorise repaired or tried to repair the *unit* or the way it was installed;
- c) The problem was caused by damage from water;
- d) The problem was caused by abuse of the *unit*;
- e) The problem was caused by a collision (for example, a car accident);
- f) If the defect in the *unit* was not caused by us, or by the manufacturer, importer, distributor or retailer;
- g) If the defect happened or was reported to us after the 12-month *warranty* period ended, if applicable.

If the *warranty* does not apply, you accept that you are *legally responsible* for the costs of having a *unit* repaired or replaced. We charge standard rates for repairs. You should contact us for a quote before asking us to repair or replace a *unit*.

### 3 If the *unit* or its installation affects the operation of or damages the *vehicle*

If the *unit* is a *Tracker unit*, the following will apply:

We fix problems that the *unit* or its installation causes to the *vehicle* or the operation of the *vehicle* at our own cost but only if all five of the following conditions are met:

- a) The *unit* or installation damages or causes a problem to the *vehicle* or how it works. We have the right to appoint an expert at our cost to investigate the problem;
- b) The *unit* or its installation has not been changed, tampered with or repaired by anyone who does not have our authority;
- c) There has not been abuse of the *unit*;
- d) There has not been damage by water to the *unit*;
- e) The problem was not caused by a collision (for example, a car accident).

If you report a fault in the *unit* to us and we have agreed the time and place to send a technician, you must make the *vehicle* available at the agreed time and place. If you do not make the *vehicle* available at the agreed time and place, you will be charged a no-show fee.

If you report a fault in the *unit* to us and ask us to send a technician, and the technician reports that the problem is not due to the *unit* or its installation, you are *legally responsible* to pay the costs of the technician. This includes any call-out fees and other costs. At the time of reporting the fault, you can ask us for the costs and fees that will apply at the time.

If we damage your *vehicle* during installation of the *unit*, we have the right to inspect the damage and if we agree that the damage was caused during the installation, we have the right to fix such damage through a *Tracker* appointed *supplier*. If you choose a different *supplier*, you will be liable for any costs over and above what the *Tracker* appointed *supplier* quoted.

## D The services

### 1 The services we provide

We provide the following *services* (please note that not all services include stolen vehicle recovery):

- a) The *services* of *Tracker* that you chose in your *application* and that you or a third party on your behalf pay for;
- b) Information and *services* on the *Tracker* website ([www.Tracker.co.za](http://www.Tracker.co.za)) and any *Tracker* mobile applications.
- c) After installation of the *unit* in your *vehicle*, the *vehicle* needs to travel at least 200km for the *unit* to function optimally.

### 2 You must use the services for valid and legal reasons only

You must use the *services* for valid and legal reasons only. An example of a reason that is not valid is activating the *unit* for theft or hijacking when there is no genuine theft or hijacking.

You accept that neither we nor our *suppliers* or *affiliates* are *legally responsible* to you if you use the *services* for invalid or illegal reasons. This means you do not have the right to claim against any one or more of us for *loss* or *damages* that you or anyone else suffers as a result of using the *services* for invalid or illegal reasons.

If you use the *services* for invalid or illegal reasons, you will be committing a *breach* of the *agreement*.

We then have the right to take steps against you as set out in section L4 below, 'Ending the *agreement* for *breach*'.

### 3 We do not provide all the *services* outside South Africa

Outside South Africa, we may only be able to identify the general location of the *vehicle* in areas where there is adequate GPS, GSM and UMTS (2G and 3G) network coverage or radio frequency network coverage (depending on the kind of network that the *unit* needs to operate).

#### 3.1 The telematics *unit* should be activated for roaming 5 working days before leaving South Africa\*

If you have a *Tracker* telematics *unit* installed in your vehicle and you want to use some of our *services* outside South Africa (where possible), you should call our contact centre at least 5 working days before the *vehicle* leaves South Africa to activate international roaming. There are extra charges for international roaming that will be charged to you. We do not offer the *services* of recovering a *vehicle* outside South Africa.

By using the *vehicle* outside South Africa, you accept that:

- we will not be able to find the exact location of or track or recover the *vehicle* outside South Africa;
- the *services* may not be available outside South Africa.

You accept that we are not *legally responsible* for any *loss* or *damages* you suffer if either:

- we are unable to recover the *vehicle* outside South Africa; or
- the *services* are unavailable to you outside South Africa.

You use the *services* and the *vehicle* outside South Africa knowing and accepting these *risks*.

#### 4 When the services might be interrupted or delayed

We will do our best to maintain the availability of the *services* to you. However, the *services* might be interrupted or delayed in any of the following circumstances:

- A technical failure outside our control. This includes the unavailability, interruption or suspension of any radio or communications networks or other *services* that we use or rely on to provide the *services*;
- If the radio or communications network or a *service* provider that we use does not make the network or *services* available to us, or if they stop operating;
- If you did not test the *unit* as per D5 and it was faulty, or we have informed you by SMS or another way that there may be a fault with the *Tracker unit* or that we cannot receive a signal from the *unit*, and you have not yet made the *vehicle* available to us to check and repair (or replace) the *unit*;
- If the *unit* in your vehicle is not a *Tracker unit*, and such *unit* does not function properly or at all;
- If a government or regulatory authority requires us to change or stop the *services*;
- If there are other circumstances beyond our control, for example fire and flood;
- If there are strikes or other industrial action.

This interruption or delay might apply to all or part of the *services*.

If we interrupt or delay the *services* in any of the above circumstances, we do not have any *legal responsibility* to you. You accept that:

- we will not be able to provide the *services*;
- you are not entitled to any refund of any *fees*;
- you must continue to pay the *fees*.

##### If we cannot restore availability

We will do our best to restore any interruption to the *services* and to shorten any delay.

If there is an interruption or delay to the *services* because of the circumstances referred to above (except for D4c) and D4d), and we cannot restore availability within 30 days, we will notify you in writing. You then have the right to end the *agreement* (see section L).

#### 5 It is your responsibility to understand how the *unit* works, what *services* you or a third party on your behalf pay for and to ensure that the *unit* is working

It is your responsibility to understand what features are included in the *service* that you pay for (<http://www.Tracker.co.za/Pages/For-Myself/For-Myself.aspx>), and any special terms and conditions applicable to such *services*, which are set out at the end of this document.

It is your responsibility to understand how the *unit* works, what *services* you pay for and to make sure that the *unit* is working. You can get more information on this on the *Tracker website* or by calling us on 0860 60 50 40.

### E Fees and charges\*

#### 1 Payment for the *service*

How you pay for the *service* depends on the type of *agreement* you have chosen.

##### 1.1 If you have the 36-month *agreement* and you pay monthly for the *service*

## 2 Charges for specific items

No-show charge	If you do not show up or if the <i>vehicle</i> is not available at the agreed time and place for installation or repair of the <i>unit</i> or accessory or peripherals
Re-installation or removal charge	If we have to re-install or remove a <i>unit</i> we are not <i>legally responsible</i> for the cost

Test charge	You have to test the <i>unit</i> regularly. Please refer to the <i>Tracker website</i> for more information on how and where to test the <i>unit</i> . If you take your <i>vehicle</i> to a <i>Tracker</i> approved fitment centre to have the <i>unit</i> tested, you need to pay the fitment centre a test charge
False alarm charge	If we receive more than 3 false alarms (including but not limited to movement alerts, assist signals and verifications) in a calendar month, a false alarm charge will be recovered from you for every subsequent false alarm in that month
Verification charge	If we believe, at our sole discretion, that you or your <i>vehicle</i> may be at risk and we cannot get hold of you or your authorised person/s to verify your safety and/or the safety of your <i>vehicle</i> , we will be entitled to a verification charge to cover our costs
International roaming and telecommunications charges (these only apply if you have activated roaming on a <i>Tracker unit</i> – see section D3)	<div style="border: 1px solid black; padding: 5px;"><p>You are <i>legally responsible</i> for the international roaming and telecommunications charges that we incur in providing the <i>services</i> to you. Some of these international roaming and telecommunication charges may be incurred while the <i>vehicle</i> is in South Africa but near a border with another country.</p></div> <p>This is because network coverage can overlap The charges might only reflect on your account three months after we incur them</p>

These charges are calculated at our standard rate at the time. We have the right to increase these charges when we choose to. To find out what the rates are at any time, you can call our contact centre on 0860 60 50 40.

You give us permission to collect these charges from your bank account. See section F for how to pay.

## 3 Increases to fees

We increase the *fees* and charges on 1 October every year. The annual increase will not be higher than 10% unless the most recent Consumer Price Index in the last completed calendar year is higher than 10%. In that case, the increase will be the most recent Consumer Price Index.

The Consumer Price Index is the index published by Statistics South Africa of the yearly change in prices consumers pay for retail goods and other items. The index is used to measure the rate of inflation in South Africa.

If you are paying discounted monthly *fees* as shown in section E4 below, you will receive a higher annual increase.

We will notify you in writing 30 days before any increases become effective.

## 4 Discounts on *fees* are for a limited time only

If you are paying discounted monthly *fees* because of the relationship between us and your insurance company or other third party, or because of a special offer, the annual increase to our *fees* is not limited to 10% or the Consumer Price Index. (See section E3 above.)

The discount will stop in either of the following circumstances:

- a) The *vehicle* is no longer insured by that insurance company, even if you move to another insurance company that we have a similar relationship with;
- b) The relationship between us and the insurance company or third-party ends.

You accept that if the discount stops, you will get a higher annual increase, unless we agree differently in writing. If you have the 36-month contract and you choose to end the *agreement* at this time, you must pay *early cancellation costs*.

## F Invoices and how to pay\*

### 1 Receiving invoices

You can choose to receive your monthly invoices by email, or you can get a copy of your invoice by logging on to the *Tracker website*.

#### **You must pay by debit order**

You must pay by debit order from your bank account each month. You give us permission to collect all amounts that you owe to us from your bank account on the date given in your *application*. However:

- a) if the debit order is returned unpaid, we have the right to try to collect the money until we are paid by using a method we choose;
- b) if no date is given in your *application*, we will collect the money from your bank account on any day of the month that we choose.

### 2 You must make sure we have updated bank details

You must give us the correct details of the bank account from which we must deduct the payment. You must also tell us if your banking details change.

### 3 You agree that we can ask other parties for your bank details

You agree that we have the right to request and obtain your bank details from your insurance company or from any other party that has the right to have them.

The use of your bank details will be according to the *Tracker privacy policy*.

## 4 If another company pays us on your behalf

### 4.1 The payments remain your *legal responsibility*

You accept that if we allow another company (or another entity) to pay the *fee* or any other amounts on your behalf, it is still your *legal responsibility* to ensure that we are paid according to this *agreement*.

You accept that if we do not receive payment by the due date, we have the right to deduct any due amounts from your bank account by using a method we choose.

### 4.2 When the insurance policy or our contract with a third party who pays on your behalf ends

You accept that you may be *legally responsible* to continue paying us even if the *vehicle* is no longer insured by the insurance company or if the insurance policy ends or if our contract with a third party who pays on your behalf ends.

You accept that we are not *legally responsible* for any charges or *loss* or *damages* that you might suffer because we did not receive the monthly *fee* on time or at all.

## 5 If we do not receive your payment in time

### 5.1 We have the right to suspend the *services*

It is your *legal responsibility* to ensure that there is enough money in your bank account to pay us.

We have the right to suspend the *services* if you do not pay your *fees*. We will start providing the *services* again as soon as reasonably possible after we receive confirmation from our bank that you have paid the amount due to us by that date. It will take up to seven business days to restore the *services*.

You accept that if the *services* are suspended because you have not paid the *fees*:

we will not provide the *services* (including recovery of a stolen or hijacked *vehicle*);

we are not *legally responsible* for any *loss* or *damages* you suffer from the *services* being suspended; and

payment of arrears will not result in *services* being re-instated if suspended.

## 5.2 You must pay additional amounts

If we do not receive payment on time, you agree to pay the following amounts on demand:

- a) Legal costs on an attorney-and-own-client scale, related to the demand and recovery of the outstanding or overdue amounts;
- b) Other collection charges and commissions that we incur in recovering any outstanding or overdue amounts. These include bank charges if a debit order is returned unpaid or only partly paid; and
- c) Any costs associated with re-instating your account if the *services* were suspended.

You accept that you are *legally responsible* to pay us these additional amounts and we have claims against you if:

you do not pay us on time or at all;  
you do not have enough money in your bank account to pay us;  
you give us the wrong bank details;  
you do not tell us about changes to your bank details on time or at all;  
you do not tell us that your bank has stopped payment; or  
you stop the payment.

We may also be able to end the *agreement* and claim additional amounts from you if any of these things happen.

If you have a 36-month *agreement* and you do not pay your monthly instalment in any one or more months, then we have the right to extend the 36-month period by one month for each month that you do not pay.

## 6 It is your responsibility to ensure that the amount we deduct from your bank account is correct

We will do our best to ensure that the amount that we deduct from your bank account is according to the *agreement*. However, you also have a *legal responsibility* to check your invoices and bank statements. If you believe that you have been charged an incorrect *fee*, you must tell us immediately but no later than 12 months from the transaction date. We will refund the amount only if you show us proof that the amount charged to you was not according to the *agreement* or any other payment arrangement that you hold with us.

If you can prove that the *fee* was wrongly charged, we will refund it. You accept that it is your *legal responsibility* to check your invoices and bank account regularly. For this reason, you accept that the most we will refund you is for a maximum of the last 12 months of incorrect charges.

## G About personal and other information

This section contains terms and conditions relating to the following information:

- a) Personal information, usage data, driver behaviour information, anonymised data and any other information we get from the *unit* installed in your *vehicle*;
- b) Credit information;
- c) Intellectual property; and
- d) *Tracker* materials.

Any words in italics that are not defined in the definition section of this document are defined on the *Tracker website*.

### 1 Personal information, usage data, driver behaviour information and anonymised data

The *Tracker privacy policy* is published on the *Tracker website*. It governs the way we and our *suppliers* use and share your personal information, usage data, driver behaviour information, anonymised data and any other data we get from the *unit* installed in your *vehicle*. (Explanations of these terms can be found in the *Tracker privacy policy*.)

The *Tracker privacy policy* forms a part of the *agreement*.

You *warrant* that the information that you give to us is true. You accept that we have the right to treat the statements you make as true. This means that you cannot later claim that the statements you made are not true.

#### 1.1 You warrant that you accept the *Tracker privacy policy*

You *warrant* that you have read, understood and agree to the *Tracker privacy policy*.

You accept that by agreeing to the *Tracker privacy policy* you are giving up some of your rights to privacy and giving us the right to use your personal information according to the *Tracker privacy policy*. You accept that you do not have the right to take action against us for any *loss* or *damages* you suffer from us processing your personal information according to the *Tracker privacy policy*.

#### 1.2 You warrant that you can give us personal information

You *warrant* that:

- a) you are properly authorised and allowed to give us personal information;

- b) you will tell us in writing or by phone on 0860 60 50 40 when there is any change or update to any of your personal information (including medical aid information, if applicable) or, if you are representing someone else in the *agreement*, the personal information of the person who you represent.

By giving this *warranty*, you accept that we may have claims against you for *loss or damages* that we suffer if you do not have authority to give us personal information and a third party brings a claim against us because we used the personal information you gave us.

### 1.3 You *warrant* that information you give is true and correct

You *warrant* that all information, including personal information that you or somebody representing you gives to us is true and correct.

### 1.4 You *warrant* that you have consent for us to process information

If you enter the *agreement* on behalf of another person or juristic (legal) entity, you *warrant* that you have received the relevant consent for us to process personal information, usage data, driver behaviour information, anonymised data and any other data we get from the *unit* installed in your *vehicle* according to the *Tracker privacy policy*. This includes the owner and driver of the *vehicle*.

Examples of a juristic entity include a company, a trust and a partnership.

### 1.5 You *warrant* that you have informed those with the right to know

You *warrant* that you have informed all people or entities who have the right to be informed (including the owner and driver or drivers of the *vehicle*) about:

- a) the installation of the *unit* in the *vehicle*;
- b) your *agreement* with us for the *services*;
- c) your confirmation that we may process your personal information, usage data, driver behaviour information and anonymised data according to the *agreement*.

You accept that if any of the statements above are not true, we have claims against you for *loss or damages* we might suffer because we relied on your *warranties*. Our claims could include amounts and *damages* that we must pay to other people or any regulatory authority because these statements are, in fact, not true. For example, if the owner or driver of the *vehicle* claims against us for *loss or damages* because they did not give permission for a *unit* to be installed in the *vehicle* where their permission was required, you will have to pay us the amounts of these claims.

## 2 Credit information

You agree that as far as the law allows:

- a) we have the right to carry out a credit enquiry with any registered credit bureau;
- b) we have the right to share your details with any registered credit bureau. This includes your personal information and payment history;
- c) the credit bureau as well as the credit provider that obtains your information from the credit bureau has the right to share your details for any purpose allowed by the National Credit Act, no. 34 of 2005.

## 3 Intellectual property rights

### 3.1 Meaning and scope of intellectual property in *the agreement*

The intellectual property in the *agreement* includes all content and information related to the *Tracker unit*, the *services*, the *Tracker website*, the *Tracker mobile application* or given by us in any form whatsoever (for example, correspondence).

Intellectual property in the *agreement* also includes the following:

- a) All products and goods, including any materials that might be placed in the *Tracker unit* or be used together with the *Tracker unit*. For *Tracker telematics units*, this includes the SIM card that comes with the *unit* and information that is or can be derived from the SIM card;
- b) Data, information, databases, compilations of data, usage data (as defined in the *Tracker privacy policy*);
- c) Computer programs and software, software documentation, firmware, interfaces (including API interfaces), hardware, servers, computers, platforms, computer code, tools;

- e) Trade names, logos, trademarks;
- f) Icons, links, graphics, photographic images;
- g) Sound clips, music, sound and television broadcasts;
- h) Text, literature, reports, plans, notes, files, diagrams, manuals, templates, schematics, correspondence, records, published editions;
- i) Derivative works, authored works;
- j) Modules, components;
- k) Methodologies, policies, procedures, techniques, models, configurations, protocols, routines; and
- l) Improvements to any of the above items.

### 3.2 We own or have the right to use the intellectual property

We own or have the right to use the intellectual property. This includes intellectual property that we have licensed from a third party, that we license, or that we give right of use for to our *suppliers* so that they are able to provide the *services*.

We remain the owner or licensee of the intellectual property. This includes the SIM card that is used in the *Tracker unit*, where applicable.

### 3.3 You do not have or acquire any intellectual property rights

You do not have or acquire any intellectual property rights during the *agreement* or after it ends except for those intellectual property rights we expressly give to you in the *agreement*. You do not have the right to use the intellectual property in a way we do not expressly allow in the *agreement*.

### 3.4 We have the right to improve the intellectual property

We have the right to change the intellectual property without giving you notice.

## H Embedded Value-added services

From time to time, we may provide value-added services. We have the right to change, remove or add these value-added services whenever we choose to after notifying you.

We do not have a *legal responsibility* to provide any value-added services. Adding, removing or replacing value-added services does not constitute a change to the *agreement* according to section I.

You do not have the right to end the *agreement* because we add, remove or change a value-added service during your *agreement* with us. We are not *legally responsible* to you for any *loss* or *damages* you suffer because of these changes.

The value-added *services* may be provided by third-party *suppliers* that we contract with. We have the right to change these *suppliers* whenever we choose to. Changing a *supplier* does not constitute a change to the *agreement* according to section I.

You do not have the right to end the *agreement* because we change a *supplier*. We are not *legally responsible* to you for any *loss* or *damages* you suffer because we change a *supplier*.

There might be conditions and limits that apply to the value-added *services*, for example, costs that apply. These are set out on the *Tracker website*.

## I Changes to the *agreement*

### 1 We have the right to make changes to the *agreement*

We have the right to make changes to the *agreement* from time to time. We will tell you about the changes at least 30 calendar days before the changes come into effect if such changes impact on your rights. We have the right to inform you of changes in a shorter period in any of the following circumstances:

- a) If the change is required by law;
- b) If it is reasonable to give less than 30 calendar days' notice, having regard to the nature or content of the change.

## J Ending the *agreement*

### 1 If you have a month-to-month *agreement*

You have the right to end the *agreement* by giving us one calendar month notice. A calendar month is from the first day of a month to the last day of a month. This means we must receive your notice on or before the first day of the month to end the *agreement* at the end of that month.

### 2 If you have a 36-month *agreement*

The *agreement* does not automatically end on the last day of the 36 months from the start date. If you want to end the *agreement* before the end of its 36-month term, you can do so by giving us one calendar month notice to end. You will be *legally responsible* to pay *early cancellation costs*. If you do not cancel the *agreement* at the end of the 36 months, the *agreement* will continue until you give us a calendar month notice. A calendar month is from the first day of a month to the last day of a month. This means we must receive your notice on or before the first day of the month to end the *agreement* at the end of that month.

### 3 If you have a 36-month *agreement* for which you or a third party on your behalf paid in advance

The *agreement* comes to an end at the end of the pre-paid period, unless you choose to extend it.

### 4 If the *vehicle* is sold, stolen/hijacked, written off or repossessed

The *agreement* does not end automatically if you sell the *vehicle* or if there is theft, *loss* or *damage* to the *unit* or the *vehicle* that it is fitted to. If the *vehicle* is stolen/hijacked, written off or repossessed, you must tell us immediately. If you sell the *vehicle*, you must tell us at least three days before you hand the *vehicle* over to the new owner.

Until the *agreement* is cancelled in the way allowed in this section, you accept that you remain *legally responsible* for all *fees* for the remainder of the *agreement*. For this reason, we recommend that you insure the *Tracker unit*. You can ask us for a suitable *Tracker* product to assist you with this.

#### 4.1 If you sell the *vehicle*

If you sell the *vehicle* before the end of the *agreement*, you can transfer the *agreement* to your next vehicle if you have a *Tracker unit* installed. If you choose to do this, we will need certain information from you (for example, details of your next vehicle and the date of purchase). We may remove the *Tracker unit* from the *vehicle* and install it into your next vehicle or we may install a new *Tracker unit* in the new vehicle. There is a charge for removing the *Tracker unit* and/or installing a new *Tracker unit* in your next vehicle. Before you ask to transfer the *agreement*, please ask us what charge applies at the time.

#### 4.2 If you sell the *vehicle* before the end of the *agreement*, you can choose to end the *agreement* (*early cancellation costs* apply), or you can continue to pay the monthly *fee* until the end of the contract period.

#### 4.3 If the *vehicle* is stolen or hijacked

If the *vehicle* is stolen or hijacked and recovered (even if not by us), the *agreement* will continue.

If the *vehicle* is stolen or hijacked and not recovered, the *agreement* will end at the end of the month after the month in which the *vehicle* was stolen or hijacked, and *early cancellation costs* will not apply.

#### 4.4 If the *vehicle* is a write-off

If the *vehicle* is a write-off, you must tell us. The *agreement* will end and you will have to pay *early cancellation costs*.

For this reason, we recommend that you insure the *unit*. You can ask us for a suitable *Tracker* product to assist you with this.

#### 4.5 If the *vehicle* is repossessed

If you can no longer afford the finance agreement on the *vehicle* and it is repossessed by the financing company, you can cancel the *agreement*. If you have a 36-month contract, you will have to pay *early cancellation costs*. If we ask, you must give us proof that the *vehicle* has been repossessed.

For this reason, we recommend that you insure the *Tracker unit*. You can ask us for a suitable *Tracker* product to assist you with this.

If you end the *agreement* because the *vehicle* is sold, stolen or hijacked and recovered, written off or repossessed, you accept that you are *legally responsible* to pay *early cancellation costs*.

### 5 If you *breach* the *agreement*

#### 5.1 When we can end the *agreement* immediately

We have the right to end the *agreement* immediately if you do any one or more of the following:

- You do not have the consent of the owner of the *vehicle* to enter into the *agreement* and/or to use the *services* for the *vehicle* and/or sell the *vehicle* without informing *Tracker*;
- You do not get consent or make the required disclosures to the owner or driver of the *vehicle*, as required in section G to use the *services*;
- You use the *services* in any way or for any purpose that is invalid or illegal;
- You report the *vehicle* as stolen or hijacked knowing that it was not stolen or hijacked, or should reasonably have known that it was not stolen or hijacked.

If we are entitled to end the *agreement* immediately, we do not need to give you time to comply and correct your *breach*.

#### 5.2 When we will give you time to correct your *breach*

If you *breach* any term of the *agreement* or break any of your *warranties* for reasons other than those given above, you must correct your *breach* within 14 business days after we have notified you of the *breach*.

If we end the *agreement* immediately or you do not correct your *breach* within 14 business days, you accept that we have the right to do any one or more of the following:

- Suspend the *services*;
- End the *agreement*;
- Claim from you any amounts you still owe to us, including the *fees* that you would have had to pay if the *agreement* had continued until its original end date. You must pay these amounts immediately on demand.

### 5.3 Other rights if you *breach* the *agreement*

These rights do not affect any other rights we might have in the *agreement* or in law.

If the *breach* by you is not a material *breach*, we will only exercise our rights in sections J5.1 and J5.2 where it is reasonable for us to do so.

### 5.4 Your *legal responsibility* if you *breach* the *agreement*

If you *breach* the *agreement*, you agree:

- a) to pay us and our *affiliates* and *suppliers* the value of all *loss* or *damages* that we or our *affiliates* or *suppliers* suffer as a result of you *breaching* the *agreement*;
- b) to pay us and our *affiliates* and *suppliers* the value of all *loss* or *damages* we suffer from claims that are brought against us or our *affiliates* or *suppliers* as a result of you *breaching* the *agreement*;
- c) to pay all legal costs reasonably incurred by us on the scale as between attorney-and-own-client if we have to take legal steps against you;
- d) to pay collection costs reasonably incurred by us while trying to collect any amounts that you owe to us.

If you *breach* the *agreement* (which includes breaking your *warranties* or undertakings), you accept that you are required to take on the *legal responsibility* for *loss* and *damages* that we or our *affiliates* or *suppliers* might suffer or be required to pay.

You accept that this might also lead to us having claims against you and to you being *legally responsible* to us for extra amounts, including any costs or *damages* we must pay to our *affiliates* or *suppliers*.

You accept that you are also *legally responsible* to pay:

- a) any legal costs that we pay to our lawyers. These costs are calculated at a much higher rate than the courts normally apply;
- b) any amounts that we pay in trying to collect or get you to pay money that you owe to us.

## 6 If we *breach* the *agreement*

If we *breach* any term of the *agreement*, you must give us 14 business days to correct the *breach*. If we do not correct the *breach* within that time, you have the right to cancel the *agreement*. You must give us 20 business days' notice after the 14-day period ends.

If we *breach* the *agreement*, we will pay the following when you ask us to:

- a) Legal costs on an attorney-and-client scale related to our *breach*;
- b) Other collection charges and commissions incurred by you related to our *breach*.

- a) on the date of delivery, if delivered by hand or courier to the physical address;
- b) on the first business day after sending an email;
- c) at 9am on the first business day after sending an SMS to your cell phone number.

When we treat a notice as if you have received it by a certain date and time, it means we do not have to prove that you did receive it then. If you claim that you did not receive the notice by that date and time, then you will have to prove it.

### 4 Notices by SMS or email

We have the right to send you notices about the following issues by SMS or email:

- a) Confirmation of your entering into this *agreement*;

You choose your preferred contact method (SMS or email or both) in your *application*. We will use our best efforts to send all communications and notices to you by your preferred contact method, but may communicate with you through another method.

## L Our legal responsibility to you is limited

As far as the law allows, we are not *legally responsible* for:

- a) any *loss* or *damages* that you might suffer where there is any delay, suspension or interruption in the *services* because of any of the events or circumstances referred to in section D4;
- b) any *loss* or *damages* that you might suffer because of our, our *suppliers'* or our *affiliates'* negligence. This excludes gross negligence or wilful misconduct. Gross negligence is a serious lack of care in performing a legal duty owed to you under the *agreement*. Wilful misconduct is deliberately doing something that should not be done or deliberately not doing something that should be done, knowing that someone might suffer *loss* or *damages* as a result;
- c) any delay, breakdown, failure or *loss* that you might suffer because of a defect or deficiency in the intellectual property;
- d) any failure, delay or interruption in your use of the *Tracker service* or the *Tracker website*, including:
  1. system and server crashes;
  2. system errors;
  3. computer malfunctions;
  4. *unit* or software faults;
  5. security breaches;
  6. theft;
  7. incompatibility issues;
  8. fire, flood, any other event referred to as an "Act of God";
  9. war, civil disturbances;
  10. international restrictions, embargoes;
  11. any lost, corrupted or undelivered data or information, regardless of the cause;
  12. any *loss* of profits, business or revenue that you suffer;
  13. any indirect *loss* or indirect *damages* that you suffer.

You accept that there are certain types of *loss* or *damages* that you may suffer that you cannot claim from us at all. This includes the *loss* and *damages* listed in this clause above, and *loss* or *damages* that result from any of the events listed in this clause above.

You use the *services* and the *unit* knowing and accepting these *risks*.

## M Indemnity

As far as the law allows, you agree to reimburse us, our *affiliates* and our *suppliers* against any *loss* we or they may suffer from a claim brought against any one or more of us, where the claim results from:

- a) your *breach* of your *legal responsibilities* under the *agreement*;

- b) your unauthorised use of the intellectual property;
- c) any deliberate or unlawful act that you commit or failure to act.

The *legal responsibilities* set out in this section N will survive the end of the *agreement*.

You accept that this clause requires you to take on *risk* and *legal responsibility* for claims, *loss* and *damages* that we, our *affiliates* and our *suppliers* might suffer. We are not *legally responsible* to you or anyone else for any claims made against us, our *affiliates* or our *suppliers*.

You accept that this clause may also lead to us, our *affiliates* or our *suppliers*, having claims against you and to you being *legally responsible* to us for additional amounts, including for any costs or *damages* we, our *affiliates* or *suppliers* are required to pay.

## N The right to sub-contract *services* and administration

We have the right to sub-contract to our *affiliates* or *suppliers*:

- a) some or all of the *services*;
- b) any of the operational, technical and administrative activities we perform to carry out the *agreement*.

Any *agreement* to sub-contract does not release us from our *legal responsibility* to you under the *agreement*.

## O Transfer of rights and legal responsibilities

We have the right to at any time transfer all or some of our rights in terms of the *agreement* to any third party without your permission. This transfer of rights is known as a cession.

As far as the law allows, we have the right to transfer all or some of our *legal responsibilities* under the *agreement* to any third party without your permission. This transfer of *legal responsibilities* is known as a delegation. We do not have to inform you if we delegate the *legal responsibilities* to any of our *affiliates* or to any sub-contractors we appoint.

## P Neither you nor we give up rights

If you do not enforce or exercise your rights in the *agreement*, this does not mean that you have given up these rights. You have the right to enforce the rights in the *agreement* at any time.

If we do not enforce or exercise our rights you have against us in terms of the *agreement*, this does not mean that we have given up these rights. We have the right to enforce the rights in the *agreement* at any time.

## Q Each provision is separate

Each provision in the *agreement* is separate. Parts of a provision are also separate. If any provision or part of a provision is or becomes illegal, invalid or unenforceable for any reason, it must be treated as if it had not been included in these terms and conditions. This does not make the rest of the provisions illegal, invalid or unenforceable.

## R South African law applies

These terms and conditions are governed by and must be interpreted under the laws of the Republic of South Africa. This applies even if one or both of the following apply:

- a) You do not live in the Republic of South Africa;
- b) You agreed to these terms and conditions outside the Republic of South Africa.

## S Guidelines to interpreting the *agreement*

### 1.1 Headings

Headings are aids to reading and understanding. They are not terms or conditions themselves. Headings do not limit or extend the meaning or application of the terms or conditions.

### 1.2 Singular and plural

Words in the singular include the plural. Words in the plural include the singular.

### 1.3 Forms of words

Words used in one form have their corresponding meaning when used in another form. For example, to claim, claiming, claimed.

### 1.4 The word including

The word 'including' must be interpreted as introducing an example list and not limiting the list or excluding additions to it.

### 1.5 General words are not limited

Where there is a list of specific things that belong together to describe a general word or phrase, the general word or phrase can have other meanings and can include other things. The general word or phrase must not be interpreted to only apply to those specific things or things similar to those specific things.

### 1.6 Calculating days

Where a number of days is given, the days must be counted to exclude the first day and include the last day.

### 1.7 Text in boxes

Text in boxes is intended to bring your attention to parts of the *agreement* that have important legal consequences for you. They explain the fact, nature and effect of terms and conditions that limit or exclude our *legal responsibility* to you, and terms and conditions where you take on *legal responsibility* or *risk*. The text in boxes does not limit the meaning or application of the *agreement*.

### 1.8 Reference to laws

When there is reference to a law or to a section of a law, we mean that law or section of that law as amended, repealed or replaced.
