32. **THIRD PARTY BENEFICIARIES**

- 32.1 Save as is expressly provided for in this Agreement, no provision of this Agreement constitutes a stipulation for the benefit of a third person (i.e. a *stipulatio alteri*) which, if accepted by the person, would bind any Party in favour of that person. For the avoidance of doubt:
 - 32.1.1 the provisions of clause 15 are also expressed for the benefit

of the Indemnified Parties;

- 32.1.2 the Indemnified Parties shall be entitled to accept the benefits of this Agreement and the rights granted to them in this Agreement at any time and without notifying or informing the Client of such acceptance. The Indemnified Parties will not, however, be entitled to enforce the provisions of this Agreement or institute any action pursuant to, or arising from, this Agreement, without obtaining the consent of Tracker;
- 32.1.3 Tracker and the Client may by agreement vary or amend this Agreement without obtaining the consent of the other Indemnified Parties, notwithstanding that any such variation or amendment may relate to any rights or benefits conferred on the Indemnified Parties. Furthermore, Tracker shall be entitled to terminate this Agreement or any Orders, enforce the provisions of this Agreement and exercise any rights, powers and remedies in this Agreement, in equity or in law without the requirement of obtaining the consent of any of the Indemnified Parties and notwithstanding that any of the foregoing may relate to any rights or benefits conferred on any Indemnified Parties.

33. **CONSUMER PROTECTION ACT**

- 33.1 If this Agreement and/or any goods or services provided by Tracker is regulated by or subject to the Consumer Protection Act, 2008 (the "CPA"), it is not intended that any provision of this Agreement contravenes any provision of the CPA. All provisions of this Agreement must be treated as being qualified, to the extent necessary, to ensure that the provisions of the CPA are complied with.
- 33.2 It is the responsibility of the Client to show that this Agreement and/or any goods or services provided by Tracker to the Client is regulated by or subject to the CPA, as provided in Section 5 thereof.

34. **WHOLE AGREEMENT**

- 34.1 This Agreement constitutes the whole agreement between the Parties and supersedes all prior verbal or written agreements or understandings or representations by or between the Parties regarding the subject matter of this Agreement, and the Parties will not be entitled to rely, in any dispute regarding this Agreement, on any terms, conditions or representations not expressly contained in this Agreement.
- 34.2 No variation of or addition to this Agreement will be of any force or effect unless reduced to writing and signed by or on behalf of the Parties.
- 34.3 The Client acknowledges and agrees that Tracker may from time to time incorporate certain provisions in this Agreement to provide for changing legislation. The Client will be notified in writing of any such changes.
- 34.4 Neither Party to this Agreement has given any warranty or made any representation to the other Party, other than any warranty or representation which may be expressly set out in this Agreement.
