

**WE
GOT
YOU**

WE GOT YOU.

We design our innovative products and smart services with one goal in mind; to safeguard and support you at home, on roads and in life.

From protecting your loved ones, running your business smoothly, or tracking and taking care of your car, you can always trust Tracker to make your life a little easier and a lot more stress-free.

HOW DOES TRACKER CAREGUARD WORK?

- Sign up to become a Tracker CareGuard subscriber by calling **011 594 4002**
- Should you need emergency assistance, simply push the panic button on the app or dial **0860 444 244**
- The closest responder to your location will be activated and accept your emergency request.
- The responder is then navigated directly to your location.
- The responder will also receive an instant profile of you with your identity and other relevant information, ensuring that they are able to identify you immediately.
- You will receive information, so that you can track and identify the responder via the app.
- We also provide control room backup that oversees all activations and can dispatch additional resources if required, such as SAPS or EMS.
