

**WE
GOT
YOU**

WE GOT YOU.

We design our innovative products and smart services with one goal in mind; to safeguard and support you at home, on roads and in life.

From protecting your loved ones, running your business smoothly, or tracking and taking care of your car, you can always trust Tracker to make your life a little easier and a lot more stress-free.

Tracker CarePulse

TRACKER CAREPULSE - Always there for you

Introducing Tracker CarePulse – our new premium safety service that combines the best of Tracker Care and Tracker CareGuard to ensure you're always protected, on the road, at home and in life.

With Tracker CarePulse, help is just a push of a button away. On the road, activate roadside assistance or roadside medical emergency response instantly via the Tracker Connect Mobile App. When you can't fend for yourself in the event of a severe accident, Impact Detection will alert us and we will dispatch Accident Assistance to your exact location.

The Tracker CareGuard App offers immediate access to our nationwide network of over 3,000 armed responders and medical personnel, for rapid assistance when you need it most. With Tracker CarePulse, we're always there for you, wherever you are.

HOW DOES TRACKER CAREGUARD WORK?

- Sign up to become a Tracker CareGuard subscriber by calling **011 594 4002**.
- Should you need emergency assistance, simply push the panic button on the app or dial **0860 444 244**.
- The closest responder to your location will be activated and accept your emergency request.
- The responder is then navigated directly to your location.
- The responder will also receive an instant profile of you with your identity and other relevant information, ensuring that they are able to identify you immediately.
- You will receive information, so that you can track and identify the responder via the app.
- We also provide control room backup that oversees all activations and can dispatch additional resources if required, such as SAPS or EMS.
