

**WE  
GOT  
YOU**

## **WE GOT YOU.**

We design our innovative products and smart services with one goal in mind; to safeguard and support you at home, on roads and in life.

From protecting your loved ones, running your business smoothly, or tracking and taking care of your car, you can always trust Tracker to make your life a little easier and a lot more stress-free.

## **TRACKER MOTORCYCLE PROTECT** - On the road with you

Tracker Motorcycle Protect provides peace of mind when you are on the road.

This service offers Theft Retrieval and an In-App Bike Guard, with an optional auto-arm feature, that notifies you if your motorcycle is moved from its digitally-locked position. You can also use the handy mobile app for easy motorcycle tracking and to share your journey with loved ones.

In addition, impact detection technology alerts us to an impact. You will also have access to our 24/7 Accident Assistance in the unfortunate event of an accident.

A vertical traffic light on a black pole. The bottom green light is illuminated and contains a heart shape. To the right, a smaller horizontal traffic light is also visible. A large yellow circle is in the upper right, containing the text 'Find the Tracker that works for you.' in bold grey font. The background is a clear blue sky with a light orange gradient at the bottom.

## **TRACKER CONNECT MOBILE APP** - Staying connected means staying safe

Our Tracker Connect Mobile App takes the protection we provide to its full potential.

All our services are linked to the app, so downloading it helps you take an active role in your care and protection at home, on roads and in life.

- Get instant access to a Trip Logbook.
- Report a stolen vehicle at the swipe of a finger.
- Monitor the safety of your vehicle from anywhere.
- Instant access for Care customers to roadside and medical emergency response.
