

**WE  
GOT  
YOUR  
BUSINESS**

  
**TRACKER**  
BUSINESS

Running a business can be stressful, but with Tracker it does not have to be. We are proud to offer a broadened range of smart products and services that are designed to take all aspects of your business to the next level.

## Vehicle Tracking

Know where your vehicles are, what they're doing, and that they're safe. So you can focus on running your business.

## Driver Safety

With everything from an assist button to a fatigue alert system to driver behaviour reports, we keep your drivers safe on the roads, and make sure they're driving safely too. Better driver behaviour can reduce accidents and maintenance costs and keep your business moving smoothly.

## Business Optimisation

Tailor-made fleet management solutions will optimise your business, through smarter, safer and more cost-effective operations.

## Value Added Services

Value Added Services add that extra layer of safety and protection, so that you are always prepared for anything.

# Tracker Care for Business

Inspired by the care you take in looking after your business and the people who keep it moving.

Tracker Care for Business ensures your drivers are protected wherever they go. And if they run into trouble along the way, we'll be there with fast roadside and medical assistance.

Need better visibility across your vehicles and drivers?

Tracker Care for Business gives you access to powerful tools that help you manage your operations and keep your team protected.
