

Tracker Care
Always by your side

Tracker Care is always by your side, protecting you, your car and your loved ones in roadside and medical emergencies at the push of a button. Should you or a loved one be involved in an accident, Impact Detection will alert us immediately of your situation.

Tracker Care has a host of benefits including the ability to set up notifications like In App Car Guard and Zones Management, as well as the added comfort of knowing that help is on its way – even if you can't let us know yourself. Should you or a loved one be involved in an accident, Impact Detection will alert us immediately of your situation. With Tracker Care, you and your family have the freedom to explore knowing that we are always by your side. Tracker Care is suitable for all vehicles and is recognised by motor manufacturers and major insurers.

Staff Offer Rules

Eligibility - Permanent employees. Employee consents to Tracker being able to verify their employment with their HR department. The agreement is between Tracker and the employee and commences upon installation of the Tracker unit. Should an employee leave the partner's employment and decide to keep the service, standard pricing then becomes applicable. Employees consent to their HR department notifying Tracker of changes in their employment status. Should the employee elect to cancel services or transfer a unit from one vehicle to another, Tracker's standard fees apply. The staff pricing may be reviewed from time to time.

Offer valid on new installations only. Offer limited to two per staff member, and is applicable to immediate family members only. Pricing quoted includes VAT.

Offer subject to Tracker's terms of use which are available [here](#)
